

YOUNG
ADULTS
DAY OF
PRAYER

1. LEAD VS, LORD

Pray for clarity, wisdom, and divine timing as we seek God's blueprint for the future of Young Adults at CCV. Pray that we would not run ahead with our own strategies, but instead walk in step with the Spirit. May we be sensitive to His leading in every decision, every plan, and every relationship.

2. A FRESH OUTPOURING

Pray for a powerful move of the Holy Spirit and revival in this generation. Ask that hearts would be awakened - both those yet to know Jesus and those who already do - to experience new life and passion in their faith. Pray that many would come to know Jesus through authentic relationships, courageous conversations, and the tangible presence of God. At the same time, pray for believers to be renewed, growing deeper, bolder, and more alive in their walk with Him. May this revival begin in hearts and spread through homes, friendships, universities, workplaces, and beyond. May individuals be marked by a hunger for the immeasurably more of God.

3. DISCIPLESHIP

Pray that our young adults would be marked by wisdom, humility, and wholehearted devotion. Pray for God's leading as we shape discipleship pathways that invite young adults into a lifelong journey of transformation - growing in identity, character, and Christlikeness. Pray for mentors, small groups, and friendships that sharpen and encourage one another. Ask God to raise up leaders who lead with servant hearts, fully dependent on Him.

4. RADICAL WELCOME

Pray that CCV would be known as a place where young adults feel seen, valued, and part of the family. Ask God to cultivate a culture of radical hospitality that stretches beyond Sunday gatherings - pray for open tables, open hearts, and a spirit of invitation that reflects the welcome of Jesus.

5. ACROSS GENERATIONS

Thank God for our CCV community that spans every generation. Pray for deep unity across the body of Christ - between students and parents, young adults and older generations, newcomers and long-time members. Ask God to cultivate a strong awareness of blessing and spiritual inheritance, where wisdom is passed on, encouragement flows freely, and every generation finds joy in journeying together. May CCV be a church marked by honour, unity, and spiritual depth - each generation building on the faith and legacy of the one before.

6. UNITY ACROSS OUR LAND

Pray for young adults across our town, local universities, throughout Ireland, and beyond. Pray that as they turn to Jesus, a spirit of reconciliation would sweep through our land - breaking down barriers and bringing peace where there has been conflict. May this emerging generation witness and experience God's healing power. As they grow and rise up in faith, may the church be united, and the nation transformed by God's love and grace, with no division among His people.
